SVS Foundation Gala

Groups audience: 2020 Vascular Annual Meeting

Vascular Spectacular - Northern Lights
The SVS Foundation — with planning by the Gala Committee — will host the Second Annual “Vascular Spectacular – Northern Lights” Gala Friday, June 19, during the 2020 Vascular Annual Meeting in Toronto, Canada at the Fairmont Royal York Hotel.

The proceeds go towards the SVS Foundation’s mission: “To optimize the vascular health and well-being of patients and the public through support of research that leads to discovery of knowledge and innovative strategies, as well as education and programs, to prevent and treat circulatory disease.”

Gala tickets are $250 each, of which $100 is a tax-deductible contribution to the SVS Foundation’s annual unrestricted fund, the Greatest Need.

This year’s Gala program is again chaired by Dr. Cynthia Shortell and Dr. Benjamin Starnes. The committee has prepared a fantastic social gathering to include a reception, dinner, entertainment, silent and live auctions, a fun and friendly “Raise the Paddle to Fund the Cause” event, plus a live DJ and dancing. It will be an event you will not want to miss!

If you are willing to donate an item for our auctions, please contact SVSFoundation@vascularsociety.org for more information or call Allison Stanis, Sr. Development Manager at 312-334-2352. You may also upload your auction item(s) information directly on our Gala table/ticket & auction website.
