Vascular Annual Meeting registration services will be provided by CompuSystems (CSI) and housing services will be provided by MCI USA (formerly Wyndham Jade).

Accept no substitutes!
Please be aware that there are companies out there that claim to provide housing and registration services for the Vascular Annual Meeting that are not affiliated with SVS in any way. These companies will send fax notices, e-mail transmissions or phone calls that offer cut-rate housing for the Vascular Annual Meeting. The author's apparent intent is to convince unsuspecting attendees that the offer is made on behalf of SVS. It is not. Everyone loves a bargain. Poaching housing blocks, however, is not about better prices - it is about highly suspect ethics and service.
When SVS secures sleeping rooms at hotels for the Vascular Annual Meeting, it does so in order to assure that our attendees and exhibitors are adequately accommodated. SVS also needs the hotels for meeting space for the numerous committee and industry meetings. This involves contracting the rooms and space with many hotels, but doing so exposes us to cancellation and attrition policies. Please support SVS’ efforts to thwart the efforts of room block poachers by making housing arrangements through MCI USA (formerly Wyndham Jade).
