

JVS: Venous and Lymphatic Disorders

# JVS: Venous and Lymphatic Disorders

*Journal of Vascular Surgery: Venous and Lymphatic Disorders*<sup>™</sup> is an official publication of the Society for Vascular Surgery® and the American Venous Forum. This Journal publishes high quality clinical research, case reports, techniques, and practice manuscripts related to all aspects of venous disease, lymphatic disease, and wound care with an emphasis on the practicing clinician.

The Journal seeks to provide novel and timely information to vascular surgeons, interventionalists, phlebologists, wound care specialists, and allied health professionals who treat patients presenting with vascular and lymphatic disease.
