Conflict of Commitment and Professional Conduct Committee	
---	--

Oversee compliance with SVS Guidelines for Industry Support and SVS COI Policy. The Committee shall be responsible for impartially investigating charges of unprofessional conduct brought by members against other members, and recommending disciplinary actions, when appropriate, to the Executive Board.

Conduct may be of any nature, including false advertising, unscrupulous business practices, substance abuse or failure to retain qualifications and fraudulent expert witness testimony.

Diversity, Equity and Inclusion Committee	
---	--

- Develop and sustain a set of DEI measures that can be utilized to evaluate progress on key metrics and initiatives.
- Determine the need for organizational policies and positions to align DEI initiatives.
- Continue to study and evaluate inequities in the vascular surgery career trajectory, from training to the workplace to vascular society engagement and leadership, such as those associated with gender, race, ethnicity, age and sexual orientation.
- Develop or review specific proposals for equity, diversity and inclusion projects that can be promulgated or implemented by the SVS and other collaborating partners.
- Assist SVS in developing an overarching strategy to increase awareness about inequities, including tools to encourage diversity in the specialty and to support a diverse workforce with equal opportunities.
