## History of Vascular Surgery

### The Giants of Vascular Surgery - Video Interviews

Videos that tell the stories of milestones in vascular surgery -- including interviews with some of the giants in the field who made those moments happen -- are now available for viewing.

Members of the SVS History Project Work Group interviewed 80 people who influenced the course of vascular surgery and who have been the specialty's outstanding leaders and contributors. Interviews were conducted with:

- 40 SVS past presidents
- 20 honorary members of SVS
- 20 selected leaders in the field of vascular surgery

Use the scrolling video player above, or visit the complete History Project playlist on YouTube .

## New: Videos Depicting History of Vascular Surgery, SVS

This interview series features leaders and major contributors in the field of vascular surgery. The videos were created by the SVS History Project Work Group, chaired by Dr. James Yao, and followed more than 75 interviews with leaders in the subspecialty. The History Project Work Group now is chaired by Dr. Walter McCarthy.

Re-live historical vignettes from interviews about experiences in war combat zones, creation of the first Fogarty Catheter, creation of the first grafts, the first SVS business meetings, the thoughts of Dr. Michael DeBakey and much more.

Era 1: Antiquity and Reparative Surgery

Era II: Direct and Reconstructive Surgery

Era III: Endovascular Surgery

## Historic Interview with SVS Founders

In 1996, the 50th anniversary of the Society for Vascular Surgery, Drs. Harry B. Shumacker, Jr., and Michael DeBakey were the two surviving members of the 31 founders of the Society. Drs. Shumacker and DeBakey were interviewed about their recollections of the history of the Society. Calvin Ernst interviewed Dr. Shumacker and Dr. Blaisdell talked with Dr. DeBakey. Both Drs. Shumacker and DeBakey since have passed away – Dr. Shumacker on Nov. 14, 2009, and Dr. DeBakey on July 11, 2008.

## Books on the History of SVS

The following publications provide information on the history of SVS.

- Yao JST. Society for Vascular Surgery—The beginning. *J Vasc Surg* 2010;51:776-779
- Shumacker HB Jr. *The Society for Vascular Surgery—A history: 1945-1983*. Chicago: The Society for Vascular Surgery, 1984
- *Journal of Vascular Surgery* 1996;23(6):957-1157. Special issue commemorating the 50th anniversary (1946-1996) of SVS, edited by Calvin B. Ernst and James S.T. Yao. In addition to the history of SVS, this special issue provides historical information on recent activities of the Society, including accreditation of vascular training programs and certification of vascular surgeons; research and emergence of the Lifeline Foundation, the Research Initiatives meeting, and the National Institutes of Health; the *Journal of Vascular*

- Surgery; and the development of the Crawford Critical Issues Forum and the E.J. Wylie Traveling Fellowship. The issue ended with a section of photo memoirs to bring back fond memories of the Society.
- Lilly GD. The first ten years of the Society for Vascular Surgery. *Surgery* 1957;41:1-5
  - Thompson JE. The founding fathers. *Surgery* 1977;82:801-808
  - Pearce, WH, Mannick JA, Clowes AW and Yao JST. Twentieth anniversary of American Vascular Association/Lifeline Foundation: A celebration. *J Vasc Surg* 2008;47:1351-1355

In 2003, the International Society for Cardiovascular Surgery, North American Chapter, merged with SVS to become one Society—The Society for Vascular Surgery. Two historical articles about ISCVS-NA provide the historical information of this important partnership.

- Haimovici H. The history of the International Cardiovascular Society. *Journal of Cardiovascular Surgery* 1977; 18: 207-240.
- Connolly JE. A view of the International Cardiovascular Society on its silver anniversary. *Arch Surg* 1977;112: 1281-1286

## Additional Resources
