In 2017, the SVS created a new membership section for vascular physician assistants. The section provides a "professional home" to PAs working in vascular care settings and has grown to 138 members in one short year of existence.

## Benefits

- PA-specific education at the Vascular Annual Meeting
- Networking and peer mentoring opportunities
- Leadership development through SVS committee engagement
- Discounts on SVS events and our JVS subscription
- Subscription to the Vascular Specialist and SVS Pulse
- A private PA Section community on SVS *Connect*, a member-exclusive online space for collaboration, engagement and communication amongst other vascular professionals.

## Eligibility

SVS Affiliate membership is available to physician assistants who have demonstrated an active interest in the field of vascular disease.
