

## Careers Tools & Training

# Careers Tools & Training

The Society for Vascular Surgery offers a variety of education programs to meet your continuing education and self-assessment requirements.

The Society also is dedicated to recruiting medical students and general surgery residents to the specialty to ensure the best young medical professionals become vascular surgeons, as well as supporting vascular residents and fellows throughout their training. Resources provided in this section will help aspiring and current vascular surgery trainees make career decisions and provide the support they need to complete training.
