16th Annual International Vein Congress

Thursday, April 19, 2018 to Saturday, April 21, 2018
International Conference Management
Nov. 28 to Apr. 21
Register
Abstract submissions

In its 16th year, IVC 2018 will offer a 3-day powerhouse program brimming with clinical updates, controversy, innovation and consensus. A high-level learning CME event, IVC melds together the highest quality education in the treatment of superficial and deep venous disease. IVC covers the hottest topics from sclerotherapy optimization to managing thrombophilias and discussing the latest in clot bursting strategies. Your company would be remiss to miss this appointment. Sign up to exhibit and schedule your 3-day appointment with the fields' best and most influential leaders in the venous community today!
