Pacific Northwest Vascular Society is one of only a few “Regional” vascular societies in America. It brings together physicians interested in vascular disease from the states of Alaska, Washington, Oregon, Idaho, Montana and British Columbia, Alberta, and Saskatchewan, Canada.

The objectives of this Society are:

- To contribute to the understanding of peripheral vascular diseases.
- To promote the professional development of specialists in vascular disease.
- To maintain high standards in caring for the patient with vascular disease.
- To provide a forum for the presentation of scientific information and the proposal of theories concerning vascular diseases.

Join us in Seattle, WA at the Edgewater Hotel, November 1-2, 2018 for an exceptional educational experience at the next Pacific Northwest Vascular Society Annual Meeting. The overarching goal of this educational conference is to bring together training and practicing vascular surgeons from the Pacific Northwest to share and learn from our collective practices and regional experiences.
