Don't pass up the golden opportunity, and mark your calendar for the International Conference on Clinical Pediatrics which will take place in the month of June 15-16, 2020 in Vancouver, Canada around the theme “Enlightening the advancements and exploring the new horizons in Pediatrics”.

The Clinical Pediatrics Conference will be a global gathering of Pediatrics and Neonatal professionals, Scientists, Child Physicians, Neonatal Nurses, Renowned Speakers, Professors, Researchers and Students in Vancouver on June 15 & 16 of 2020. It also brings academicians and business professionals across the globe to a most exciting, exceptional and memorable leading event to report and witness the latest achievements in the field of Healthcare and Medicine.

Market Insights of Pediatrics:
In recent times, Pediatrics healthcare and diagnosis are dealing with the treatment of child-related diseases, their development, and care. The global market for pediatrics healthcare is accounted for by means of newborn mortality rate every year. In 2013 it is approximately 82.5 billion dollars and expected to increase at 8% CAGR in the coming future. An increase in the demand for chronic disease and diagnosis, Diarrhea and injury-related other pediatric diseases are more common in children. Some of the global organizations playing a vital role in the Healthcare market are Abbott Laboratories, Gilead Sciences, GlaxoSmithKline plc, Johnson & Johnson, Eli Lilly, AxcanPharma USA, Pfizer, Sanofi, and Wyeth.
