

Vascular Research Initiatives Conference (VRIC)

Vascular Research Initiatives Conference (VRIC)

VRIC ONLINE 2020: From Discovery to Translation

November 5th and 12th, 2020

REGISTER for VRIC ONLINE 2020

The protection and safety of our attendees are our top priorities and conditions related to Covid-19 are monitored continuously. In the best interests of public health, the SVS is offering a virtual program featuring research abstracts from the VRIC 2020: From Discovery to Translation.

VRIC ONLINE 2020 is an opportunity for vascular researchers to showcase their research accepted for oral presentation but not presented due to COVID-19 disrupting the May 2020 Vascular Research Initiatives Conference.

The goal of the program is to create a virtual environment for the exchange of basic and translational vascular science that stimulates thoughtful discussion and motivates participants to discover solutions to important problems affecting vascular patients.

Dates

Module 1 - Thursday, November 5, 2020, 1:00 – 3:00 PM Central Time (Session 1 and 2)

Module 2 - Thursday, November 12, 2020, 7:00 – 9:00 PM Central Time (Session 3 and 4)

About

The VRIC program emphasizes exchange of basic and translational vascular science that stimulates thoughtful discussion and motivates participants to discover solutions to important problems affecting vascular patients. This virtual event will feature abstract presentations and live Q&A.
