Have an event to add?
If your organization is sponsoring an event of interest to vascular surgeons, please send us the relevant details. Submissions with no email contact information, web address or start / end dates cannot be used.

Please note that this is not an automated process; all submissions are manually reviewed. If your submission is not posted within five days, please contact us here.

Submit an Event

VQI Regional Quality Groups

A key component of VQI, regional quality group participants share and analyze collected data to initiate quality improvement projects to reduce complications, readmissions, and length of stay.
