Advocating for Patients and Medical Professionals

The political action committee of the Society for Vascular Surgery advocates for legislation that supports best practices for patients and medical professionals. The current changes in health care reimbursement directly impact vascular surgeons and their patients. SVS is taking the lead in working with government officials to develop fair laws and practice guidelines. Volunteer members and staff are working to ensure that lawmakers understand the impact of their work.
Trainees, Apply for Advocacy Scholarship and Learn How Government Impacts Practices

SVS trainees can “specialize” in more than just vascular surgery. Those interested in health policy can apply to spend a day in Washington to learn about issues that impact vascular surgery.
