PAC Contributors

SVS PAC would like to acknowledge and thank the following members for their very generous contributions of $1000 or more made January 1, 2018 through January 1, 2019, as well as our donors who make automatic contributions to the political action committee. SVS PAC provides the resources for SVS volunteers and staff to attend fundraising events for influential members of Congress and congressional candidates to discuss issues that have a direct impact on vascular surgeons and their patients. Please make a contribution online by using a personal credit/debit card or by mail using a personal check.
