Register for 'Meet the Experts' webinars

Register today for the remaining Society for Vascular Surgery (SVS) "Meet the Experts" webinars, including "Redo Carotid Revascularization," to be held May 20.

These webinars are free for SVS members and residents/trainees. Nonmembers will pay \$35 for each webinar. They are limited to 100 participants to permit an intimate feel and provide for faculty-audience conversations. Topics are:

- May 20: Redo Carotid Revascularization
- June 10: Advanced Techniques for IVC Filter Removal
- July 15: Type 2 Endoleak Prevention and Management

Continuing Medical Education (CME) credit will be available for each webinar and will be awarded after completing the individual activity evaluations. Learn more and register at vascular.org/MeetExperts
