## Your SVS: November

### Dues Statements Mailed

Members should pay their 2017 dues by Dec. 31 to ensure they continue to receive all the benefits of SVS membership, including subscriptions to the Journal of Vascular Surgery publications; discounted registration fees for educational sessions; advocacy and legislative access; grant programs; practice resources; branding and public relations and much more.

Those members who had not yet paid their dues as of Nov. 1 will receive or have received a reminder letter in the mail this month. In December, those whose dues remain unpaid will receive an email reminder.

Members can now make their annual contribution to the SVS Foundation, which funds a variety of basic and clinical research grants, while paying their dues. Log in at [vascular.org/invoices](https://vascular.org/invoices) .
