Old business will be discussed, updates from our grant recipients will be presented and new members will be introduced.

We then expect to have a discussion of interesting educational cases. The topic is:

- **“Complicated Cases to Learn From”**

Encourage your residents and fellows to present a 5 min case presentation. [Please submit case presentation abstracts to dbs9003@med.cornell.edu for consideration by November 11th.](mailto:dbs9003@med.cornell.edu)

Also, it is time for residents and fellows to start thinking about applying for the NYSVS research awards and/or the traveling fellowship for next year.

Vascular surgeons, vascular fellows and surgical residents are always invited to both our Spring and Fall meetings.

We hope to see you all there!
