**Groups audience:** SVS Foundation

# Why your SVS Foundation gift matters

**Your gift to the Society for Vascular Surgery Foundation supports one thing – vascular health.**

With millions of Americans and many more around the world suffering from debilitating or life-threatening vascular disease, there is only one entity devoted to making a difference in the areas of vascular health, community education and research -- and that is the SVS Foundation.

Giving is easy. You can donate online by credit card or create an invoice for check payment by mail. Set up a recurring donation plan to provide timely contributions at your convenience. SVS members also can donate via their annual dues payment. We gladly accept donations of stock. We work with those who prefer to donate through planned giving or Donor Advised Funds. And –shopping through Amazon Smile is a painless way to donate.

We also honor donors of large gifts via our distinctive Legacy Program and its companion, the Presidents Council .

Donate Now

Use the link above to access our secure donation page and support any of our donation funds:

We invite you to support our “Greatest Need” Annual Fund or any of our special needs funds. You can make a one-time donation or set up a recurring credit card payment.

## Greatest Need (Annual Fund)

Support SVS Foundation programs when and where needs arise. Your gift to the Foundation will ensure that there will always be resources to support and advance our mission.

## Awareness and Prevention (Community Health Initiatives)

## Giving

Published on Society for Vascular Surgery (<https://vascular.org>)

---

Your gift will support our expanded mission in disease prevention, patient education and public awareness and community health initiatives.

## Research Grants

Your gift will support the Foundation's research awards program for vascular surgeon scientists, clinical researchers, residents and medical students. Support SVS Foundation's core mission – to fund crucial vascular research that improves patient health.

## Disaster Relief Fund

Your gift to the **Disaster Relief Fund** will provide assistance to vascular surgery practices and vascular patients in disaster-devastated communities.

## Alexander W. Clowes Distinguished Lecture Fund

Support the annual **Alexander W. Clowes Distinguished Lecture** at the Vascular Research Initiatives Conference and honor the memory of our colleague and internationally recognized vascular surgeon-scientist, Dr. Alexander W. Clowes.

## Contribute by mail

Please make checks payable to SVS Foundation. Designate the area of interest in the memo field and mail to:

**SVS Foundation**  
**35312 Eagle Way**  
**Chicago, IL 60678-1353**
