ABSTRACT SUBMISSION (DUE DATE OCTOBER 1st, 2018):

Please submit abstracts to:

Pedro Teixeira, MD, Program Committee Chair
pgteixeira@seton.org

Abstract are being accepted for the following categories: 1. Medical students; 2. Resident/Fellows; and 3. Plenary session.

Cash prizes for 1st, 2nd, and 3rd place in student and resident/fellow categories. The best student/trainee abstracts will automatically be considered for the plenary session. Please list the category in your email subject line.

Dennis R. Gable, M.D.
M.D. President

William Shutze,
Vice-President

Kristofer Charlton-Ouw, MD
Secretary

Matthew Sideman, M.D.
Treasurer
Preliminary Schedule of Events

Preliminary Agenda!

**Friday, Nov 2**

- Breakfast
- Resident/Fellow Mock Vascular Surgery Oral Exam
- Medical Student Symposium and Poster Presentations
- Lunch
- Nursing and Allied Health Symposium
- SOVONET meeting
- Evening Reception

**Saturday, Nov 3**

- Breakfast
- Invited talks by Houston Methodist, Texas Tech - Lubbock, and University of Texas Medial Branch - Galveston
- Robert B Rutherford Lecture: Chip Sternberg, MD, of Ochsner Health
- Lunch
- Selected Research Abstract Presentations
- Trainee Competition
- President’s Dinner and Guest Lecture

2017 Annual Meeting Information:

33rd TSVES Annual Meeting

November 3 – 4, 2017
The Crescent Hotel & Spa, Dallas, Texas

Friday, November 3rd

09:00-1200  Mock Vascular Surgery Oral Exams – Rotisserie II
Hickory Room, Club Room, Crescent Room

12:00-1:00  Registration
12:00–1:00  Lunch

1:00-2:00  Medical Student Symposium – Gallery I
Texas Vascular Surgery Interest Groups Meeting

BREAKOUT SESSIONS:

2:00-5:00  Medical student poster presentations/case reports – Gallery I

2:00-5:00  SOVONET Meeting – Gallery II

7:00  Industry Reception – Crescent Club

Saturday, November 4th

07:00 Registration/Exhibitors/Industry Breakfast – Gallery Foyer/II

08:00-08:40 UT Southwestern – Dallas – Gallery I
Moderator: Dennis Gable, MD

08:00 - 08:05 Welcome Address.
  Dennis Gable, MD
  President TSVES

08:05 - 08:10 Tribute to Clifford J. Buckley, MD
  W. Todd Bohannon, MD

08:10 - 08:25 New Adjuncts and Advances in the Endovascular Repair of Thoracoabdominal Aortic Aneurysms.
  Carlos Timaran, MD

08:25 - 08:40 Understanding the Relationship between Surgeon Volume and Clinical Outcomes: Implications for Credentialing of Surgeons
  J. Gregory Modrall, MD

08:40-09:20 UT Austin - Dell
  Moderator: Greg Modrall, MD

08:40 - 08:55 Advanced Therapies for Submassive and Massive Pulmonary Embolism.
  Peter Monteleone, MD

08:55 - 09:10 Contemporary management of the high-risk carotid artery.
  Ryan Turley, MD

09:10 - 09:20 Blunt thoracic aortic injury management: are Vascular and Trauma Surgery on the same page?
  Pedro G. Teixeira, MD
09:20-10:00 UT Houston

Moderator: Pedro Teixeira, M.D.

09:20 - 09:35 Intercostal Artery Reattachment in Open TAAA Repair

Rana Afifi, MD

09:35 - 09:50 A Bayesian Perspective on Comparative Effectiveness of Heparin- Bonded AVG for Use in Dialysis Access.

Kristofer M Charlton-Ouw, MD

09:50 - 10:00 A Systems Approach To Identifying Patients at Risk of Vascular Disease.

Stuart Harlin, MD

10:00-10:30 Industry Break - Gallery II

10:30 - 11:30 Ethics Lecture –

What is New at the End?

Alfred Levy, MD

11:30 - 12:30 Robert B. Rutherford Lecture

Topic: Treating Aortic Dissection: How do we make it stick?

William D. Jordan, MD

12:30-1:30 Industry Lunch – Gallery II

1:30-3:30 Afternoon Session I: SVS Update

Moderators: Dennis Gable, MD
1:30-1:50 MIPs and MACRA Update.
Jim Wadzinski, MD

1:50-2:05 SVS PAC Update.
Greg Modrall, MD

2:05-2:20 SVS Foundation Update.
Shirling Tsai, MD

2:20-2:30 SVS APM Projects Update.
Matt Sideman, MD

2:30-240 Break – Gallery II

2:40-3:50 Afternoon Session II
Moderators: W. Todd Bohannon, MD

2:40-2:50 Gender based outcomes of lower extremity revascularization from the SOVONET Vascular Quality Initiative database.
Bala Ramanan, MD. Dallas.

2:50-3:00 Content Assessment of Health Status Measures for Intermittent Claudication Using the International Classification of Functioning, Disability and Health.
David S. Kauvar, MD. San Antonio.

3:00-3:10 Gender differences in patients undergoing endovascular AAA repair.
William Shutze, MD. Dallas.
3:10-3:20 Surgical Challenges of Superior Vena Cava Syndrome in Hemodialysis Patients.

Pablo V. Uceda, MD. Dallas.

3:20-3:30 Office based endovascular intervention for limb salvage in 1956 patients with peripheral arterial disease.

Rebert Feldtman, MD. Dallas.

3:30-3:40 Novel endovascular repair of innominate artery aneurysm.

Robert Smith, MD. Temple.

3:40-3:50 A Ten-Year Experience of 10,735 Outpatient Endovascular Interventions, and the Paradigm Shift from Hospital-Based to Office-Based Clinical Practice.

Samuel S. Ahn, MD. Dallas.

3:50-4:10 Industry Break - Gallery II

Resident-Fellow Session

4:10-5:35 Afternoon Session III: Trainee Competition

Moderators:

William Schutze, MD, Robert Smith, MD, Matthew Sideman, MD

4:10-4:25 Comparison of athletes and non-athletes undergoing thoracic outlet decompression for neurogenic TOS.

Besem Beteck MD

4:25-4:40 Rate of secondary intervention after open versus endovascular AAA repair.

Harish Krishnamoorthi, MD
4:40-4:55 Secondary interventions following TEVAR.
Seth Purcell MD

4:55-5:10 Tibial angioplasty and drug eluting stents.
Kristyn Mannoia, MD

Gabriel Gonzalez, MD

Kyle Kimbal, MD

5:35-6:30 Business Meeting – Gallery II

6:30 Reception – Gourmet Room

7:00 Dinner – Gourmet Room

Topic: Establishing a Vascular Specialty: Lessons from the Lone Star State
William D. Jordan, MD

PROGRAM COMMITTEE: LORI C. POUNDS, MD, GEORGES M. HAIDAR, MD, and TAYLOR HICKS, MD
ANNUAL MEETING

November 6 and 7, 2015
Eilan Hotel & Spa, San Antonio, Texas

Friday November 6th

5:00PM
SoVONet-VQI Meeting

7:00PM
TSVES Reception

Saturday November 7th

07:00 - 07:50
Registration/Industry Breakfast

07:50 - 08:00
Welcome, Mark G Davies, MD, PhD

SESSION I: University of Texas, Houston

Moderator: Georges M. Haidar, MD

08:00 - 08:10
Aortic Graft Infection - Kristofer M. Charlton-Ouw, MD

08:10 - 08:20
Thoracic Aortic Aneurysms - Naveed U. Saqibm, MD

08:20 - 08:30
Venous Disease - All the Things that Aren’t - Shiela Coogan, MD

SESSION II: University of Texas Southwestern

Moderator: Taylor Hicks

08:40 – 08:50
Endovascular repair of TAAAs using off-the-shelf and custom-made fenestrated/branched devices.- Carlos H. Timaran, MD

08:50 – 09:00
Open aortic arch branch reconstruction in the ‘endo first’ era. John Rectenwald, MD

09:00 – 09:10
Renal artery stenting in the aftermath of multiple negative clinical trials: When is it reasonable? - J. Gregory Modrall, MD

09:15 - 10:15
ETHICS LECTURE - Lois A Killewich, MD, PhD Culture: How it impacts Medical practice and how to develop
competency

10:15 -10:45
Break - Visit with Vendors

10:45 -11:45
Robert B. Rutherford Memorial Lecture - Peter Lawrence, MD How to Select Patients for Treatment of Chronic Venous Insufficiency

11:50- 12:50
Lunch in Sala Cristallo

SESSION III: University of Texas Health Science Center San Antonio

Moderator: Sheila Coogan, MD

12:55 – 1:05
What’s new At RUC, Matthew Sideman, MD

1:05 – 1:15
Vertebral Interventions, Taylor Hicks, MD

1:15 – 1:20
Vascular Surgery Suture Simulation. Lori Pounds, MD

1:20 – 1:30
IVC Interventions and Advanced Renal Cell Carcinoma. Georges M. Haidar, MD

SESSION IV: OPEN PAPERS

Moderator: Lois A. Killewich, MD, PhD

1:40 – 1:50
Management of abdominopelvic solid tumors with vascular. Tam Huynh, MD, MD Anderson

1:50 – 2:00
Comparison of Non-Autologous Biologic Grafts Versus PTFE grafts Used for Infrainguinal Bypass for Critical Limb Ischemia : Analysis of theNational Vascular Quality Initiative Database. Marvin D. Atkins Jr, MD - Scott & White Hospital & Clinic

2:00 – 2:10
Superlative results with Transcarotid Artery Revascularization – Our Site Outcomes from the Roadster Study. Mazin Foteh, MD – Austin

2:10 – 2:20
Endovascular Management of Popliteal Artery Injury. Zulfiquar F. Cheema, MD – UTMB

2:20 – 2:30
Abdominal Aortic Aneurysms Management : Changes, Options, and Observations from a PVA Perspective. Demetrios Macris, MD - San Antonio

2:30 – 2:40
VQI: The National Perspective. Dennis Gable, MD - Baylor Dallas

2:40- 2:50
Azygous continuation: A Challenging finding during Thrombolysis for Acute DVT. Todd Bohannon, MD - Scott and White

2:50- 3:00
Endovascular Methods for Internal Iliac Artery Preservation during EVAR William Shutze, MD - Baylor Dallas

3:00-3:15
Break – Visit with Vendors

3:15-5:00
Resident Competition, Moderators: Ruth Bush, MD, Georges Haidar, MD, Taylor Hicks, MD

3:20 – 3:30
Percutaneous access for endografting. Liliana Nanez, MD - UT Southwestern

3:30 – 3:40
Repair of Lower Extremity Arterial Injuries: A Race Against Time A. Alarhayem, MD – UTHSCSA

3:45 – 3:55
Robotic Assisted Inferior Vena Cava Filter Retrieval: A Case Report T. Lu, MD - Methodist Houston

4:00 – 4:10
Angiosarcoma of an Arteriovenous Fistula in a Renal Transplant Patient Mujeeb Zubair MD - Methodist Houston

4:10 – 4:20
Celiac axis Segmental Arterial Mediolysis as uncommon cause of spontaneous intra-abdominal bleeding. Juan Marcano, MD – UTHSCSA

4:25 – 4:35
Data Transparency as a Strategy to Standardize Practice and Reduce Cost: Carotid Endarterectomy. Paul Long, MD - Scott and White

4:35 – 4:45
Complex endovascular repair of iliac artery aneurysm with preservation of the hypogastric artery. Anne Laux, MD - UTHSCSA

BREAKOUT SESSIONS

3:10 – 5:10
Society Vascular Ultrasound and Society of Vascular Nursing. Moderator: Phyllis Gordon, MSN, APRN, ACNS-BC

3:10 – 3:30
Implications for surgical intervention in aortic dissection vs. medication management and possible complications. Kristofer M. Charlton-Ouw, MD

3:30 –3:50
Nursing Implications in the Management of Aortic Dissection. Cristina Sola, BSN, RN-BC

3:50-4:10
Dialysis Access: New Techniques and Management Strategies. Taylor Hicks, MD

4:10-4:30
Dialysis Access Imaging. Karen Broadbent, BSN, RN, RVT
4:30-4:50
Lymphedema Management: Old and New Strategies. Cathy Obermiller, PTA, CLT-LANA

4:50-5:10
Overview of National Venous Ulcer Guidelines. Lori C. Pounds, MD

5:00-6:15
Business Meeting and Officer Election

6:30 -7:00
Cocktails

7:00
Dinner - Invited Guest Speaker: Peter Lawrence, MD, Uncommon Vascular Diseases Are More Frequent Than You Thought! The Vascular Low Frequency Disease Consortium
