ABOUT VAM

The VAM is the premier scientific meeting for over 1,400 surgeons and allied health professionals who are eager to learn and stay up-to-date on the latest industry innovations, new technologies, clinical trials and network with industry professionals. These Vascular professionals are also key influencers in regard to purchasing the most cutting-edge surgical equipment and devices, products and services.

VAM25 will take place at Ernest N. Morial Convention Center in New Orleans, Louisiana. The convention center's layout allows for the placement of the registration area, Plenary Sessions and the Exhibit Hall on the same level, ensuring exhibiting partners and attendees can maximize their education and networking opportunities!

VAM brings together the entire vascular team, with the following groups co-locating at one meeting:

- Society for Vascular Surgery (SVS)
- Society for Vascular Nursing (SVN)
- The Vascular Quality Initiative (VQI)
- SVS Wound Care Course In-Person Session

The VAM boasts many SVS sections such as the Physician Assistant, Women's Leadership Section, Community Practice Section, OBL Section and Young Surgeons Section, perfect for building that new client relationship. The Vascular Annual Meeting is the one-stop destination for vascular professionals, which means as an exhibitor, you get more for your investment.

The Vascular Annual Meeting (VAM) is the premier source of education for vascular health professionals. VAM provides a variety of learning opportunities in vascular surgical practice, research and science that support individual educational needs and lifelong learning.

VAM attendees are health care professionals that master the intricacies of vascular surgery as well as state-of-the-art endovascular techniques. Ten percent of attendees travel to VAM from outside the US.

**Your company's
visibility at
VAM matters!**

50%

of attendees say that a company's participation as an exhibitor or sponsor influences their decision to engage in business. Don't miss the opportunity to connect, showcase, and elevate your brand! Exposure at this premier event is crucial!

With over 1,400 professionals registered from over 44 countries in 2024, having a presence at VAM will greatly increase your visibility in the Vascular Surgery community.

82%

of VAM physician attendees make or recommend the purchasing for their practice.

68% of VAM physician attendees identify their area of practice as Vascular Surgery. These health care professionals master the intricacies of vascular surgery as well as state-of-the-art endovascular techniques.

"Being at VAM establishes a company's credibility in a way. It is expected that they will be there and it adds visibility to their company. It also allows for easy business meetings on the fly."

- VAM24 attendee via attendee survey

The Society for Vascular Surgery (SVS) is the national advocate for over 6,000 specialty-trained vascular surgeons and other vascular health professionals who are dedicated to the prevention and cure of vascular disease. SVS seeks to advance excellence and innovation in vascular health through education, advocacy, research, and public awareness.
