

YOU CAN BE PART OF VAM!

Pathways to Becoming a VAM26 Podium or Poster Presenter

Boston, MA • June 10-13

Proposal Submission Windows: Education Sessions

Engaging diverse audiences through various formats and topics relevant to practice.

July 16 - Aug. 20

Education Sessions

Interactive, case-based or hands-on sessions on clinical or non-clinical topics.

New! Hot Topics

Submit a single lecture idea on a timely issue; SVS will group selected lectures into one session.

Sept. 17 - Oct. 15

Abstract Submission Windows: Scientific Sessions & Posters

Showcasing original research through formats such as plenary sessions, posters and competitions, covering topics in clinical and non-clinical science.

Posters

Submit research to be presented as a poster; eligible for competition and championship rounds.

International Sessions

Present global perspectives through scientific plenary abstracts.

Late Breaking

Submit time-sensitive, cutting-edge data that became available after the regular deadline.

Nov. 12 - Jan. 7

Plenary Session

Submit a full abstract for high-visibility podium presentations.

SVS-VESS Scientific Sessions

Scientific abstract session hosted with VESS (one author must be a VESS member).

Videos

Submit a video showcasing a novel/unique approach, or a core vascular surgical procedure.

Feb. 4 - March 2
