

The Delaware Valley Vascular Society's Fall Dinner Meeting will be held **Thursday, October 1, 2026** at Del Frisco's Double Eagle Stake House in Philadelphia.

The Annual Fall Dinner Meeting provides an opportunity for you to join your colleagues and the Delaware Valley Vascular Society for networking, followed by dinner, case presentations and a keynote speaker.

Call for Rapid Fire Presentations

The Society is soliciting rapid fire presentations in association with the annual Fall Dinner meeting. Any clinical topic is appropriate for the presentation. The presentations will be given by a Medical Student, Resident, Fellow, or Other Member of the Society. These rapid-fire presentations are limited to three (3) minutes in length to encourage discussion of an interesting case or cases. There should not be an extensive discussion of the topic during this three-minute talk. An additional two minutes will be provided for discussion for each case. PowerPoint Projection will be available.

To better organize the order and number of presentations, please send an abstract to DVVS@vascularsociety.org. Include the title of the presentation and the name of the person that will be presenting. Do NOT attach graphics or other tables with the brief abstract.

Deadline: Monday, August 17.
