SVS | Society for Vascular Surgery
The SVS Foundation Silent Auction online is now in progress! If you haven’t registered yet to participate in the auction, you can do so now by going to vam19gala.givesmart.com on your phone or stopping by the SVS Booth #331 where staff will be happy to help you register. The auction ends Friday evening at the conclusion of the live auction during the Foundation Gala. You do not need to attend the Gala to participate in the Foundation Silent Auction!

**GREAT AUCTION ITEMS:**
This year’s auction has something for everyone and includes an alligator bag, exquisite jewelry, Chicago theatre packages, a Chinese silk carpet and sessions with vascular surgeons. If you’re a traveler, you will want to make a bid on one of our great packages that span the globe... from a one week voyage on a sailboat, to stays in Breckenridge, CO, Lake Tahoe, Redondo Beach, Toronto and much more.

**AUCTION RAFFLE TICKETS:**
Online raffle tickets are available for $20. Buy a raffle ticket for a chance to win a $500, $250 or $100 cash prize. All proceeds directly benefit the SVS Foundation’s Greatest Need Fund (tickets are not tax deductible). You do not need to attend the Gala to participate in the raffle. Tickets may be purchased through the evening of the event. Good luck!

**PRICELESS GIFT WITH CONTRIBUTION:**
Everyone who makes a Foundation contribution of $20 or more through the online Silent Auction (Donate Now feature) or at the SVS Booth will receive an SVS History Committee DVD featuring one of the specialty’s innovation luminaries, Dr. Thomas J. Fogarty. Dr. Fogarty’s story unfolds through the interview and is inspiring and educational. This makes a perfect gift for yourself or someone interested in vascular surgery as a career!

**SVS FOUNDATION BOOTH**
Stop by the SVS Foundation booth which is a part of the SVS Booth in the exhibit hall (Booth #331). We will be happy to assist you with the Silent Auction or in making an online contribution to help continue the Foundation’s critical mission work of optimizing the vascular health and well-being of patients and the public through support for research, education, and programs to prevent and treat circulatory disease.

The Society for Vascular Surgery® (SVS) Political Action Committee (PAC) is the only PAC that provides a unified voice for vascular surgeons. Your support is critical to the future of your practice and profession.

The SVS PAC is an independent committee formed to raise funds used to make contributions to the campaigns of United States House of Representatives and Senate candidates who support high quality diagnosis and care for vascular disease patients and solutions to physician reimbursement challenges. Contributions from corporate accounts and SVS members who are not US citizens or do not have green cards are not permitted. Remember, 100 percent of your SVS PAC contribution goes directly to candidates.

With your $1,000 contribution, receive an invitation to an exclusive SVS PAC reception during the Vascular Annual Meeting and proudly wear a gold PAC pin in recognition of your donation.

SVS PAC Donation Form

Your donation is a political contribution under federal law and will be used for federal election purposes. Contributions are not tax deductible for federal income tax purposes. All contributions are voluntary and will not affect your status as a SVS member. Federal election law requires us to use our best efforts to collect and maintain the following information for individuals who contribute more than $200 in a calendar year.

Name

Street

City       State       Zip

Phone Number

Occupation

Employer

Personal Check - Make checks payable to SVS PAC.
Checks cannot be drawn from a corporate account. Send your PAC donation along with this form to: Society for Vascular Surgery, Political Action Committee, 35314 Eagle Way, Chicago, IL 60678-1353

Personal Credit Card or Debit Card
Please make your contribution online at svspac.org. You must designate your donation as monthly, quarterly, or for one or two years.

Thank you for your SVS PAC donation.
TRANSLATING EXPERT KNOWLEDGE INTO PRACTICE

Quick-Reference Guideline Tools to Improve Patient Outcomes

CLEAR, CONCISE, CREDIBLE

These quick reference guideline tools contain everything you need to know from the full text guidelines, only in a more condensed and user-friendly format. Available as both printed pocket guides and in digital (web and iOS/Android) formats.

AVAILABLE TITLES INCLUDE:
• Abdominal Aortic Aneurysm
• Diabetic Foot Management
• Peripheral Arterial Disease
• Venous Leg Ulcers

WHAT’S INSIDE:
• Key Points
• Diagnosis and Treatment
• Medication Tables
• All Major Recommendations

Digital guides are FREE for SVS members. To request your free link, email your full name to Guidelines@VascularSociety.org for membership verification.

Printed pocket guides are available for purchase, starting at $9.95.
Visit www.guidelinecentral.com/svs

JOIN THE DISCUSSION • EXPAND YOUR NETWORK
BUILD YOUR COMMUNITY

Don’t be left out of the conversation—Log-in to Vsweb.org/svsconnect with your SVS credentials, today, to see what all the buzz is about. The SVSConnect online community is open to all SVS members and offers them a place for discussion, collaboration and an opportunity to expand their professional networks.

HERE’S WHAT SVS MEMBERS ARE SAYING:

One of the best things SVS has ever done!! Connect is especially important to me in solo practice in a small town hospital with no other vascular colleagues.

Dr. Dan McGraw

I really appreciate the comments and this forum. I am humbled by the level of interest and insight I am seeing. And it is easily the most friendly forum on the internet I’ve ever been a part of! Thank you.

Dr. Christopher Bunch

I want to start by expressing appreciation for this forum. I know people have talked about something like this for a while and it’s great to see it happen and to be able to participate.

Dr. Issam Koleilat

MOBILE APP NOW AVAILABLE!

You can now log-in conveniently from your phone or tablet for easy access to field-related discussions, resources from other users and the SVS member directory. Search for “MemberCentric” in the App Store or Google Play Store. Then find the SVS and log in with your SVS credentials.

HAVE QUESTIONS? PLEASE CONTACT US AT:
communications@vascularsociety.org or call 312-334-2300.

The SVS PA Section was launched under the direction of co-chairs Erin Hanlon and Ricardo Morales. The vision is to advance the PA profession in the field of vascular surgery through sharing expertise, research, and knowledge. The goal is to be the leading society of vascular surgery physician assistants dedicated to the education, advocacy, professionalism, and teamwork for PAs.

*The PA steering committee developed a dedicated VAM program for PAs by PAs.*

**PHYSICIAN ASSISTANT (PA) SECTION SESSION**  
Thursday June 13 • 1:15–5:15 pm • National Harbor 2  
Featuring “Ask the Expert Sessions”.

The entire Vascular Annual Meeting has been designated for 30.00 AAPA Category I CME credits.

**PHYSICIAN ASSISTANT (PA) SECTION LUNCH**  
Thursday, June 13 • 12:00 pm–1:00 pm • National Harbor 2

**PA NETWORKING MEET-UP AT THE OPENING RECEPTION**  
Thursday, June 13 • 5:30 pm–6:30 pm • Exhibit Hall B, SVS Booth #331

**NOT A PA SECTION MEMBER YET?**  
To learn more, visit the SVS Booth #331 in Exhibit Hall B or online at vsweb.org/PAssection
SVS AFFINITY BENEFITS PROGRAM

Financial and practice solutions to protect and benefit your family, practice and staff?

“These plans are a significant expansion of our member benefits, designed specifically to simplify your lives and protect your practices and businesses,”
— SVS Past President Dr. Ronald Fairman.

- Did you know that your group disability plan may not have you fully covered? The SVS offers access to unique supplemental insurance programs for disability — including a high-limit disability plan and life insurance for high wage earners.
- Kai-Zen, an exclusive product that can accelerate growth of your retirement fund. It can also result in up to 60% more protection and supplemental retirement income.
- Practice management solutions to help you focus on medicine rather than business, such as payroll and merchant services, cyber insurance, business overhead and group insurance offerings—many of which were suggested by members of the SVS Community Practice Committee.
- Additional offerings include ID theft protection, student loan consolidation, and medical liability insurance.

For more information about any of our Affinity Program benefits, please contact Mark Blocker at mark@nationalaffinity.net or 312-291-4472.

HERE’S WHAT OTHER SVS MEMBERS ARE SAYING:

Robert Allen, M.D., recently graduated from his vascular surgery fellowship. “I, like many, was overwhelmed with finding appropriate insurance coverage to protect myself and my family in the future,” he wrote. “Mark has an understanding of our lifestyle and sacrifices, and is easy to approach in making these tough decisions,” said Dr. Allen.

Nicolas J. Mouawad, M.D., said Blocker helped him decide on disability and malpractice insurance for himself and his group. “It can be daunting with so many selections, but the process was very smooth and seamless,” he said.

Drs. Allen and Mouawad both highly recommend obtaining plans through SVS. “These plans are tailored to us and created by professionals that have our best interest,” said Dr. Allen.

• INTERACTIVE — Sync with your online planner to carry your itinerary with you.

• COMPREHENSIVE — All meeting content, including abstracts.

• SEARCHABLE — Find sessions, research abstracts and speakers with a quick search.

QUICK TIPS FOR USING THE MOBILE APP
This year’s app has several features to keep you organized at the meeting and provides the information you want at your fingertips.

MY SCHEDULE. Mark sessions as favorites on the online planner or the app, then see all those favorites in the My Schedule section.

CLAIM YOUR EDUCATIONAL CREDITS. Take your self-assessment immediately after each session accessible through the app.

PARTICIPATE IN THE SCAVENGER HUNT. Look in the Exhibit Hall for special QR codes, scan them with your app, then answer the question that pops up for a chance to win fabulous prizes.

LET US KNOW WHAT YOU THINK. Let all your friends know what you’re up to by linking to social media.

ENABLE PUSH NOTIFICATIONS. Be sure to allow push notifications so you stay informed on any last-minute announcements.

NETWORK NAME: VAM19 • PASSWORD: vam2019!

To download our all-new app, search for “SVS Events”

AVAILABLE AT

[App Store] [Google Play]
HERE’S HOW IT WORKS:

• Download the VAM mobile app
• Click on the ‘scavenger hunt’ tile
• Select ‘scan code’ on the bottom left hand corner of the screen
• Scan the participating sponsor’s in-booth QR code
• A multiple-choice question will display. Answer the question correctly to be awarded 10 points.
• The three attendees with the most points will win prizes. Prize winners’ names will be displayed in the registration area on Saturday morning.

PARTICIPATING SPONSORS:

BD: BOOTH #509 • BTG: BOOTH #603
GETINGE: BOOTH #709 • KCI/ACELITY: BOOTH #817
MEDISTIM: BOOTH #835
MEDTRONIC: BOOTH #315
OFFICE VASCULAR CARE PAVILION: BOOTH #339
SILK ROAD MEDICAL: BOOTH #301
SVS: BOOTH #331
TEDAN SURGICAL INNOVATIONS: BOOTH #200
**GET CREDIT FOR YOUR TIME AT VAM**

**FIND COURSE OFFERING CREDIT**
For educational sessions offering credits, search the planner using the “Credits” filter or look for the CME and MOC icons:

- **CME**
- **MOC**

**CLAIM YOUR EDUCATIONAL CREDITS**
Complete the session evaluations and take your self-assessment immediately after each session through the SVS annual meeting app.

EVIDENCE-BASED APPROACH TO
Anticoagulation Therapy for CAD/PAD

Thursday, June 13, 2019
6:30 AM – 8:00 AM

Gaylord National Convention Center
Potomac D/4-6
National Harbor, Maryland

Sonya S. Noor, MD, FACS
Medical Director,
Endovascular Services
Vascular Surgeon
Gates Vascular Institute
Buffalo, New York

PROGRAM DESCRIPTION
Patients with chronic coronary artery disease (CAD) or peripheral artery disease (PAD) are at risk for major cardiovascular events, including cardiovascular death, myocardial infarction, and stroke. Join us for a presentation describing an approach to reducing the risk of these events.

Supported by Janssen Pharmaceuticals, Inc.
