Results of Member Survey from 2018

In order to address your concerns I reorganized the APDVS Program to focus on the findings from last years member survey.

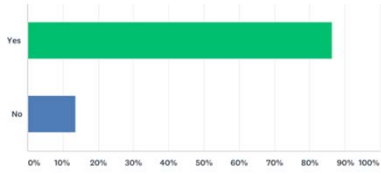

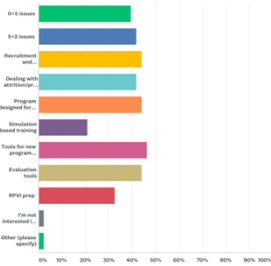

Q9 Would you be interested in having an open Question/Answer session with program director leaders where you could bring your questions to be answered and/or discussed?

Answered: 44 Skipped: 2

Q10 For 2019, if a focused workshop was held, what topics would you be interested in for the session? Please select all that apply.

Answered: 43 Skipped: 3

Q11 Are there other issues they would like to see APDVS addressing? (i.e., other committees that we should establish, etc.)

Answered: 10 Skipped: 36

#	RESPONSES	DATE
1	It seems the questions are always the same. Time for some new blood.	4/2/2018 6:53 PM
2	New PD session would be good. Discuss issues with probation/medication/firing/wellness	3/30/2018 12:56 PM
3	Physician well being and burnout Rx - a separate committee.	3/27/2018 4:10 PM
4	1. Too many committees. 2. Meeting should be condensed to one afternoon. 3. Different speakers talking about how they handle day-to-day challenges (NOT same old people who talk every year, people from other programs).	3/27/2018 12:04 PM
5	ACMEE focuses Outcomes of training programs beyond 5 years Work force survey Survey on what being practice want from a trainee. Broaden the pool of people involved	3/27/2018 9:00 AM
6	Coordination Role and Burnout/Wellness	3/27/2018 7:29 AM
7	as above. We need to centralize process to coordinate dates, use electronic technology etc. Maybe an outside speaker with expertise on conducting mass interviews. Maybe a program director from other specialty with expertise in the use of Skype etc.	3/27/2018 6:58 AM
8	standardized evaluation tools	3/26/2018 10:17 PM
9	Discussions regarding relationship between APDVS and SVS. More accurate information regarding status of DO residents applying for 0-2 programs.	3/26/2018 9:20 PM
10	wellness learning environment recruitment of women to vascular surgery (maternity leave/satisfaction support/other exposure and inclusion considerations)	3/26/2018 9:00 PM
